Best way for us to contact you:

(Please use the back of this form if you run out of space!)

Tell us about your thesis topic or statement:

List key subject terms, phrases, and concepts that describe your topic:

Is there anything you would like to find that you are having difficulty locating? (i.e. primary sources, statistics, research reports, etc.)

Do you have any questions about using the library or locating materials? (i.e. interlibrary loan, locating full text of articles, etc.)

- Are resources in languages other than English acceptable?
- Do you have any specific directions from your professor such as no websites, or nothing over ten years old?
- Is there anything else that the librarian needs to know to help you?
